

FORD PROTECT®

Stay Charged Now and in the Future with Ford Protect!

Maintenance Protection for
Ford Pro DC Charging Stations**

**Ford Protect is now
offering a three-year
maintenance plan for
your Ford Pro DC
Charging stations.****

A Ford Protect Maintenance Plans will keep your Ford Pro Charging Stations up and running.

Power up your electric vehicles with a Ford Pro Charging Station – and the peace of mind knowing that all required maintenance is being performed by Ford authorized technicians.

Ford Protect Maintenance Plan Coverage Includes:*

- 3-years of bi-annual maintenance included
- All maintenance and repairs conducted by electricians, trained on Ford DC Charging Stations
- Ford Protect provides maintenance services in accordance with the intervals and instructions prescribed by the Charging Station Owner's Guide
- Includes parts and labor

**Contact Ford Pro for more details
at 1-800-34-FLEET.**

*See Maintenance Agreement for what is not covered. Ford Protect does not provide coverage for any defect in the covered product which is caused by any failure to comply with any instructions from Ford. See the Service Contract Terms and Conditions for a complete list of what is not covered. The Ford Protect extended service plan is not insurance. Not available for retail sale or any non-commercial purpose. Only available to commercial buyers.

**Not available in the Province of Alberta.
