Fleet Management Solutions

Built For Your Business

Ford Pro™ offers a **comprehensive portfolio** of [Fleet Management Software and Services](#)¹ designed to **help improve operational efficiency**. Because every business is different, Ford Pro allows you to tailor solutions to fit your specific needs.

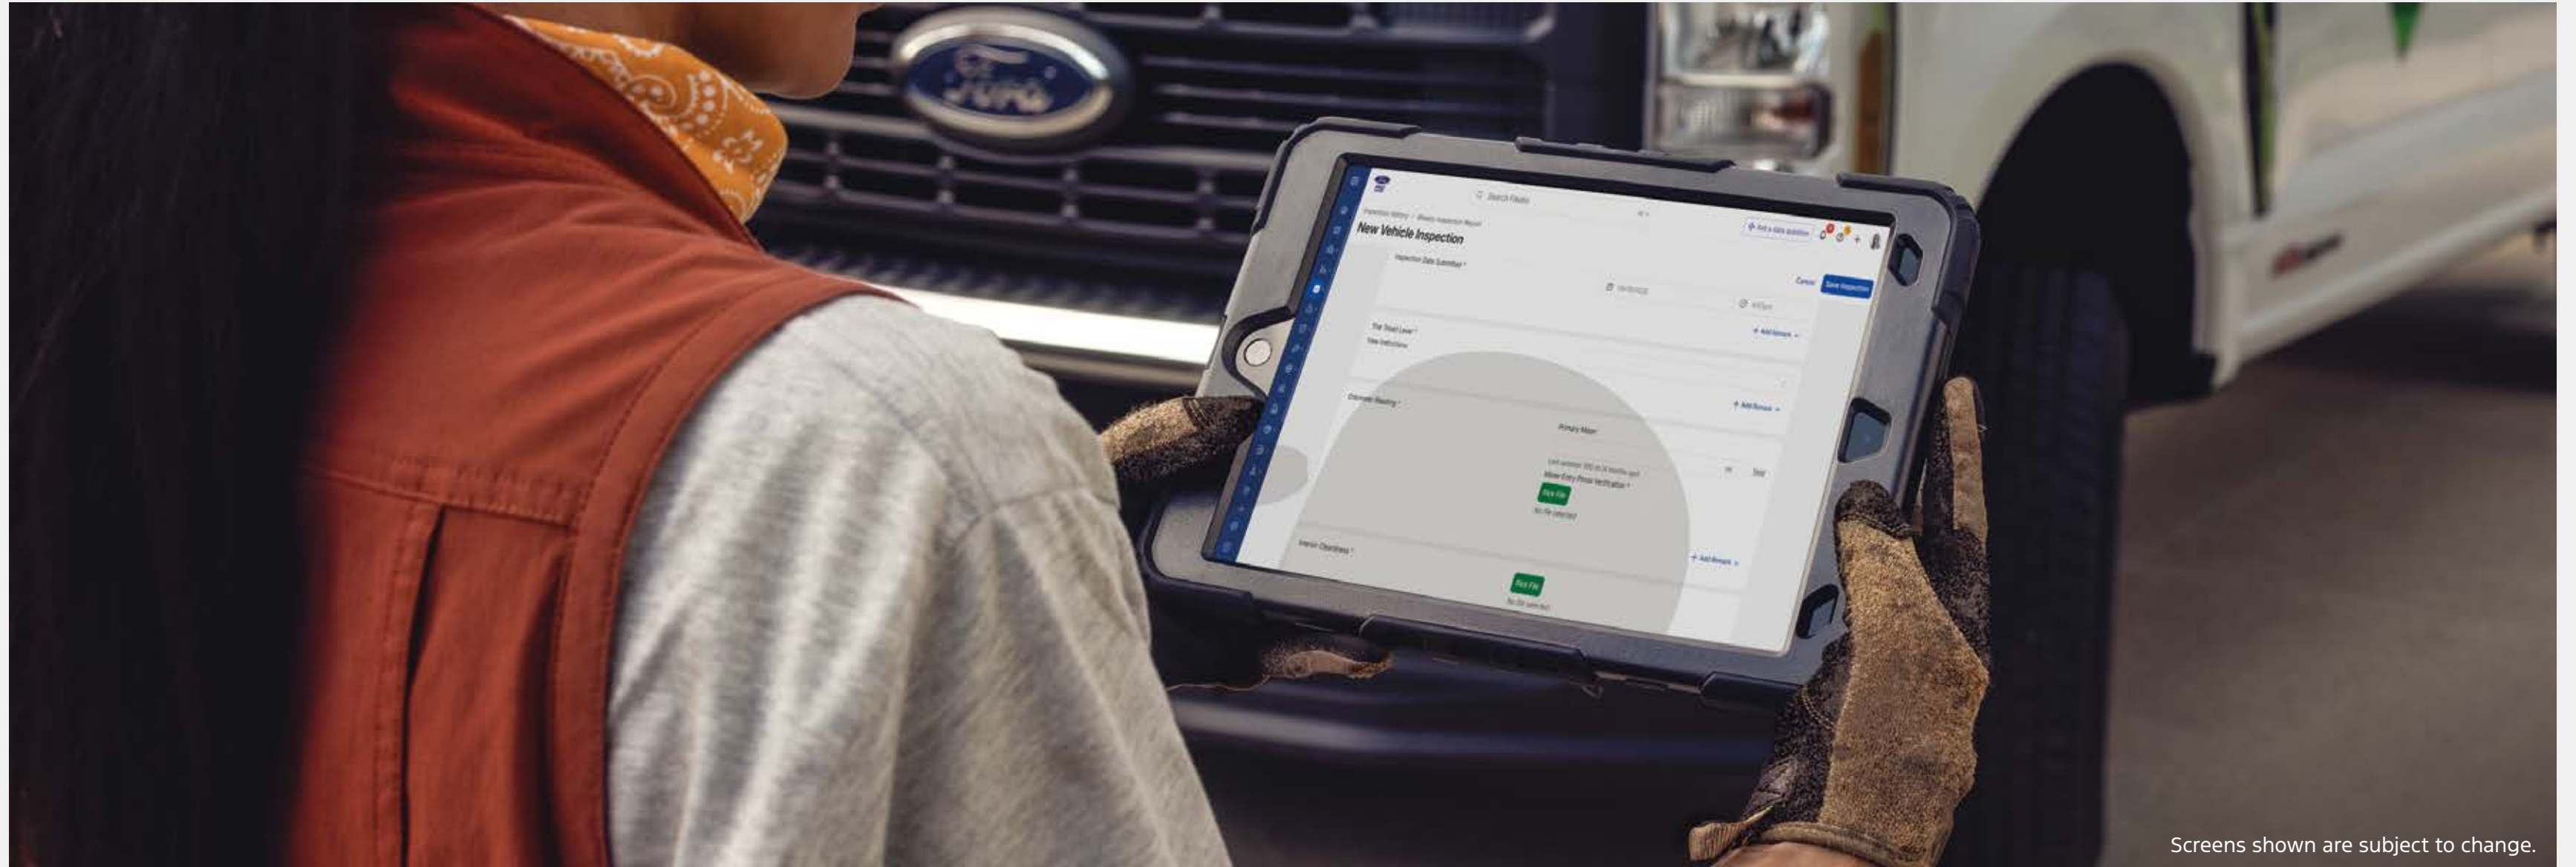

Without having to hand over your vehicles or your financing to a managing partner, Ford Pro **keeps you in the driver's seat** of your fleet. Choose only the **tools that benefit your fleet** and **pay only for the software and services you choose**, giving you flexibility and control as your business evolves.

1. Some software packages and services may require a fee and/or subscription. Terms and conditions apply.

Smarter Fleet Management

Ford Pro™ Fleet Management Software¹ helps deliver **near real-time vehicle health data** without the need for aftermarket hardware, and helps consolidate all cost-related information in **one place**. Easily manage work orders, track labor and parts inventory, oversee third-party maintenance, and simplify billing with a **single monthly statement**, while gaining **clear insights** into your total cost of ownership.

1. Some software packages may require a fee and/or subscription. Terms and conditions apply.

Fleet Management Services

Accident Management¹

- Handles first notice of loss and management of the repair process
- Provides post-accident subrogation services including optional rental coverage

Driver Risk Management¹

- Uses single-source, 50-state Motor Vehicle Records (MVR) data
- Continuously monitors drivers to help ensure valid license
- Optional Driver Training courses

Fleet Administration¹

- Outsources day-to-day tasks
- Includes services like data validation, uploads and auditing, policy creation and updates, reporting and analysis, inventory management, and billing management

Fuel Cards¹

- Shows you how, where and when drivers use their fuel cards
- Lets you set spending limits, track expenses, and help curb misuse

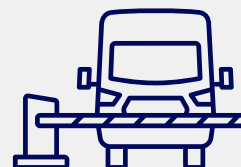

Maintenance Management¹

- ASE Certified Technicians review and negotiate repair orders, helping you get fair pricing and a timely resolution at 80,000+ repair shops in the maintenance network

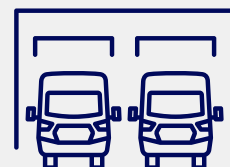

Title & Registration¹

- Skips registration lines in all states
- Provides expedited service, frees customers from administering vehicle title/registration, state transfer, title search duties, and renewals
- Title storage at centralized and secure location

Toll & Violation Management¹

- Consolidates toll management, payments and toll violation administration into a single solution to save time and cost
- Offers interoperability among toll authorities and backup toll coverage to help prevent toll violations

Vehicle Movement & Storage¹

- Our team of experts can help move your vehicles from Point A to Point B
- Additional services include detailing, maintenance, registration and title transfers, and short-term storage if needed

1. All Ford Pro™ Fleet Management Services listed require a fee. Terms and conditions apply for each service or subscription.

Let's Get to Work

Ready to make the most out of your Ford Pro™ Intelligence products? Help your business gain a competitive edge and **let us handle the busy work.**
