We want to help prevent any surprises as your journey ends. So, please get an inspection if it applies, review your wear and use, and check your mileage guidelines:

- Your vehicle inspection will be completed by Alliance Inspection Management (AiM). You should use their [scheduling tool](#) to make an appointment within 60 days of lease-end. To do this, you will need your VIN and Ford Pro™ FinSimple® account number. If you can't schedule an appointment, please contact us at 1-800-727-7000.
- Your leased vehicle is expected to be returned in good condition. However, Ford Pro FinSimple allows for normal wear and use. Check out the [Wear and Use Guidelines](#) for specific information.
- Keep in mind that if you purchased WearCare®, your Excess Wear and Use charges will be waived up to \$5,000 in most cases. See your WearCare Addendum for details and exclusions on coverage.
- Check your Lease Agreement or give us a call at 1-800-727-7000 to confirm how many miles your current lease allows. If you exceed that amount, there will be additional fees.
