

Where to Get Help

If you need **help or assistance** with your electric vehicle, please use the following resources:

- For emergency situations, call **911** immediately.
- **Ford Roadside Assistance**[1] will help with a flat tire, if you are locked out, or give you a jump-start. If an EV runs out of charge, drivers can get towing to a charging destination – a public charging station, the company charging depot, a home residence, or a Ford EV-certified dealer – within 50 miles of their location.
  - Contact 24/7 Ford Roadside Assistance at **1-800-241-FORD (1-800-241-3673)**
- For **Charging**:
  - Call the **charging station provider's help line**, which may be found on the charging station itself
  - If you need further help, call the experts at Ford Customer Service: **1-800-392-3673**

1. Roadside Assistance is a complimentary offering to all Ford Owners for up to 5 years or 60,000 miles (from the date of sale), whichever occurs first. For all-electric vehicles beyond 50 miles, your vehicle will be taken to the closest public charger or Ford EV-certified dealer. Ford reserves the right to change program details without obligations.
